

Mother's Day Cards

Left: "Secret Garden," by East Tennessee artist, B. J. Clark is being used by the Knoxville-Knox County Office on Aging as the Mother's Day card design, with the artist's permission in cooperation with the Art Market. The card is in full color, as shown here.

A lovely card from the Mobile Meals program that will honor your mother or any special person in your life.

Honor your mother—or a friend who's been like a mother—by giving a gift to the CAC Office on Aging Mobile Meals program. A special card will be sent to your honoree for Mother's Day (May 13), telling her that you've given a gift in her name. If the card is in memory of your mother or another special woman, you can have an acknowledgment sent to another person who would find the gift meaningful. Fathers are important too! The card's message can be customized to send to your father or a special man in your life for Father's Day, June 17.

My gift will provide Mobile Meals:
