

# How to Become an Approved Contractor with CAC's Housing & Energy Services Department

**Friday, October 18**

9:00 am—11:00 am  
CAC Ross Building  
2247 Western Avenue  
Knoxville, TN 37921

***Unlock new opportunities  
for your business!***

Over the past five years, we've invested nearly \$11,000,000 in contracting with local businesses to weatherize, repair, and abate lead-based paint in low- to moderate-income homes in the Knoxville area.

We're excited about the possibilities ahead and would love to partner with your business to strengthen neighborhoods through energy-efficient, cost-saving measures that improve the quality of life for residents in the Knoxville area.

This event will:

- Provide a step-by-step guide to **become an approved CAC contractor**
- Present **free training** opportunities to partnering contractors
- Link contractors to **valuable resources** available through community partners
- **Examine barriers** faced by contractors in participating in federally funded programs

***Join us at this essential event and learn how your business can benefit while making a positive impact in the community!***

**RSVP by emailing Jeffrey Vincent, Director of CAC Housing & Energy Services at [jeffrey.vincent@cachousing.org](mailto:jeffrey.vincent@cachousing.org)**
