

CAC Families in Need

# Holiday Drive

CAC's Families in Need program offers case management re-housing services to families with children who live in shelters, streets, hotels paid for by charitable organizations, cars or other places not meant for human habitation. We work with families to get back on their feet and help them reach their personal goals towards housing stability.

## Items Needed:

- Socks
  - Gloves/Hats/Scarves
  - Hygiene Items (including items for infants and ethnic haircare products)
